+38 (063) 235-83-56

CAREER OBJECTIVE

Diligent and determined beginner web developer with a passion for crafting visually appealing and user-friendly web applications. Proficient in JavaScript, HTML, CSS and Vue.js framework. Familiar with TypeScript. Dedicated to learning additional technologies and expanding my skill set. A long-term successful experience in pharmacy management demonstrates my strong problem-solving abilities, resilience and positive attitude.

Experienced in building responsive landing pages and various projects using Vue.js integrated with Firebase Database.

Looking for a position at a great company to be a hard-working asset to any team, to learn, grow and develop long-term in my career as a front-end developer.
